Introduction:

The University of Engineering & Applied Sciences -Swat (U-EAS) is the department of Government of Khyber Pakhtunkhwa in Pakistan, committed to provide quality educational services to the people of Pakistan without discrimination as to, race, religious beliefs, class or political opinions.

The University of Engineering & Applied Sciences -Swat (U-EAS)— within the framework of its operation in Pakistan, would like to request your best bid/proposals for the procurement of IT and Electrical Equipment's as per general terms and conditions mentioned in the bidding document.

The bid shall comprise a single package containing two separate envelopes for technical proposal and financial proposal as per single stage – two envelopes bidding procedure. Each envelope must be independently sealed; the independently sealed envelopes of technical and financial proposals shall be marked as “FINANCIAL PROPOSAL” and “TECHNICAL PROPOSAL” in bold and legible letters to avoid confusion. The bid prepared shall be further sealed in one big envelope and submitted to the Procurement Unit, University of Engineering and Applied Science, Swat, House # 53, Sector-A, Main Kanju Township Double Road, Kanju, District Swat in accordance with instructions given in the bidding document;

The envelope shall bear the Invitation for Bids title and Procurement Reference Number, and a statement: “DO NOT OPEN BEFORE **02:00 PM, December 21, 2021**”.

All the pages of the tender documents and attached annexures should be signed and stamped as a commitment to agree with the terms and conditions mentioned therein and these should be submitted along with the offer.

Objective:

- a. To provide the IT & Electrical Equipment for Office of Kanju township to UNIVERSITY OF ENGINEERING & APPLIED SCIENCES -SWAT (U-EAS) as per detail mentioned in attached Annex 'C' with a well-managed, efficient and reliable provision of required goods.
 - b. To ensure that the UNIVERSITY OF ENGINEERING & APPLIED SCIENCES -SWAT (U-EAS) receives the appropriate after sales service and support.
 - c. To continually look for ways in which the services can be improved or streamlined in order to maximize the benefits to the UNIVERSITY OF ENGINEERING & APPLIED SCIENCES -SWAT (U-EAS) .
2. **Documentation Language:** All documents, markings and labeling should appear in English .
3. **Evaluation criteria: -**

Evaluation of the bids will be conducted in the following three stages: -

Stage-1: Preliminary examination

At first stage, the Purchaser will examine the bids to determine: -

- (a) whether they are complete,
- (b) whether the documents have been properly signed,
- (c) Whether affidavit on stamp paper to the effect that *“the requisite Bid Security has been placed separately in the sealed envelope of financial bid”* has been provided.

- (d) whether letter of bid (Bid Form) has been provided (Technical- Annex-A)
- (e) Affidavit to the effect that firm has not been blacklisted in the past by any Govt., Semi Govt. or private institution.
- (f) whether Income Tax Registration Certificate has been provided-If Applicable
- (g) whether Sales Tax Registration Certificate has been provided-If applicable
- (h) whether the OEM authorization is submitted for 30 & 45 KVA Generators.
- (i) Must be covered under standard warranty i.e. 1 year. Company/Firm will confirm that they will replace the damaged with the new one within one-year from the date of supply.

The preliminary examination will be conducted on a responsive and non-responsive basis. Only bids which have been rated "responsive" in the preliminary examination of bids shall be considered for further evaluation.

Stage -2 Technical Requirements Compliance

At the second stage, the Purchaser will examine the technical bids to determine whether they **meet the minimum required specifications**. The bidders can quote for the entire lots or for any particular lot, however, the price quoted for any lot must be for the entire quantity demanded against each line item in the lots. The purchase will evaluate the bids on basis of lowest technically compliant lot. Any bid, which does not meet minimum required specifications shall be rejected and will not be considered for subsequent evaluation. The Financial proposals of only those bidders will be opened on a subsequent date, who are declared technically compliant for participation in the financial bid.

Stage -3 Financial/Final Evaluation

- (a) In the last stage, the Purchaser will open the financial bids of only those bidders who are declared as technically compliant on a subsequently date. The Purchaser will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- (b) Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If the Bidder does not accept the correction of the errors, its bid will be rejected, and its bid security may be forfeited.
- (c) The Purchaser may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation.
- (d) For the purpose of comparison of bids quoted in different currencies, price shall be converted into Pak Rupees. The rate of exchange shall be the selling rate prevailing seven working days before the date of opening of technical bids specified in the bidding documents, as notified by the state bank of Pakistan.
- (e) The successful bidder would be determined by the lowest evaluated bid received subject to the bid meeting the specifications and other terms and conditions specified.
